RE: **COUNCIL MOTION OF 11/25/08 BY COUNCILOR MILINAZZO
"REQUEST THE CITY MANAGER HAVE THE PROPER
DEPARTMENT INVESTIGATE ADDITIONAL STREET LIGHTING
ON DOUGLAS ROAD NEAR CAWLEY STADIUM".**

I write in response to the above motion. Police Superintendent Lavalley informs me that Captain Flaherty drove the length of Douglas Road and found that every 100 feet there is a streetlight and in front of the Reilly School there are lights every 50 feet. Captain Flaherty found that there is a short stretch on Douglas Road between Frothingham Street and Andover Street that could use one additional light. I will forward this request to National Grid.

Please contact me if you have any questions.

Thank you.
