Bernard F. Lynch
City Manager

TO: Mayor Edward Caulfield
And
Members of the Lowell City Council

FROM: Bernard F. Lynch, City Manager 

DATE: May 7, 2009

SUBJECT: **MOTION OF 4/14/09 BY MAYOR CAULFIELD**
“REQUEST THE CITY MANAGER HAVE THE TRAFFIC
ENGINEER ADDRESS THE CROSSWALK ISSUES ON
MAMMOTH ROAD IN FRONT OF ST. RITA’S CHURCH”.

I have been in contact with Adam Baacke, Assistant City Manager & DPD Director regarding the above mentioned motion request. He has informed me that Jeff Gomes, Transportation Engineer visited the site in question. The issue surrounding the crosswalk on Mammoth Road in front of St. Rita’s Church is the visibility of the existing crosswalk.

Jeff Gomes has checked with the Police Sign Shop and there are currently no crosswalk signs in stock. The sign shop has submitted an order to buy more stock including these signs. If funds are available, the order will be completed and we will attempt to provide signs for this location.

Jeff Gomes will have this crosswalk repainted this year, which will improve its visibility.

If you have any questions, please do not hesitate to contact me.

Thank you.
