Dear Mr. Carlin:

At the last Lowell City Council Meeting, discussion took place about an increased amount of trash along the River Walkway on VFW Highway between the Rourke Bridge and Varnum Avenue in the City of Lowell.

A City Council motion was passed to request the Department of Conservation & Recreation to deploy additional trash barrels in that area.

Any assistance in this matter would be greatly appreciated.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely,

TJ McCarthy
